## News from LPS

**Congratulations** are in order for Julia and Simon's daughter, Anna, who has graduated as a physiotherapist. She will be working in Wakefield and hopefully passing on her Moving and Handling knowledge too!

Julia has just attended the latest **National Back Exchange Conference** and after two years as Chair and six years as a member of the Executive Committee she has passed on her National responsibilities. Highlights for Julia during her time as Chair are numerous. They include visits to many groups around the country and the warm welcome she received from conferences in North Wales and in Glasgow.

**On a sporting theme**, this summer has been a busy one for Catherine not only at work but also on the sporting front. In the last newsletter we brought you news of Catherine's role as a Tour Maker for the Yorkshire leg of the Tour de France. Shortly after that event, Catherine was on her way to Glasgow in her role working for UK Anti Doping at the Commonwealth Games. Over two weeks, Catherine was tasked with ensuring that anti doping was carried out as requested by the organisers at two of the venues in Glasgow. It was a very exciting time, made all the more interesting for Catherine as she spoke to not one but two VIP Princes!! (Prince Edward and Prince Albert of Monaco). And with Rio 2016 coming up soon, Catherine has just started her second year learning Portuguese. Tudo bem!
