LPS continues to go from strength to strength.
WE WISH YOU ALL A VERY HAPPY CHRISTMAS

LPS New Website

Following the launch of our new website, you are now able to book places on courses online. We are constantly adding to the list of resources available. If you feel there is anything else that would be useful to you, let us know. Go to: www.lpstraining.com and click on the 'Resources' page.

Chair of National Back Exchange

At this year's AGM held at the NBE Conference, Julia was elected unopposed as the Chair of the Executive Committee. She is looking forward to all the challenges this role will bring. We will keep you up to date with how she progresses throughout the year.

The Office

Catherine is your point of contact at our office. As well as dealing with your bookings and payments she is busy preparing for the London Olympics in 2012 where she has a very interesting volunteer role. At the moment she is not able to say exactly what it is but future newsletters will reveal all!

Conference Speaking

Simon will be speaking at the Northern Regions IOSH meeting in December and Julia spoke at the recent National Back Exchange Conference. She is also a speaker at the Disabled Living Foundation Conference in February 2012.

Useful Website

We recently came across this website which gives you details of public toileting facilities for people with disabilities. And not just a token handrail, but toilets with changing beds and hoists. Just type in your postcode or the place you are visiting to list the details of what is near you. www.changing-places.org
